Each week, we will be delivering you a box carefully packed with your farm fresh veggies. As farmers, we plan our crops in December of the previous year and have allotted certain crops for our Farm Box program.

If you are unable to receive your box due to a vacation, we would be happy to have a friend or family member receive it in your absence. We would also be happy to donate it to Community Care of West Niagara in your name. You will receive a charitable tax receipt for the value of the Farm Box.

Although in previous years, we have supplied reusable plastic bins for your veggies. Due to recommendations by Health Canada and the unavailability of such boxes due to COVID-19, we must supply your vegetables in prepacked plastic bags until further notice. We apologize for the environmental impact.

All of the above is an agreement with the Farmer (Mingle Hill Farms) and the Partners (you) in supporting the fresh local food movement and enjoying the best of the bounty.
